STUDENT DISCIPLINE

Kincoppal – Rose Bay School is committed to creating a caring school climate based on Christian ideals and values, and aims to develop positive relationships between all members of the school community and high standards of behaviour and personal responsibility. Students are expected to show respect at all times and display behaviour that reflects well on themselves, their families and the School.

The School encourages the growth and development of the whole person – spiritually, intellectually, psychologically and socially – and aims to instil a deep sense of empathy and sensitivity towards the needs and feelings of others.

All members of the school community have the right to be treated with respect and dignity and to learn and work in a safe and supportive environment. This supports all students in their personal development and their progress towards achieving their personal best.
